trgic.admir@gmail.com / +4917666015911 / Stadtbergen Str. 80 1/3, Augsburg, Bosnia

## Summary

I'm a self-taught Junior Full-Stack Developer with a passion for programming, business and people as well as a creative eye and a pragmatic mind. I love learning about new things and implementing them into my work. Currently, I'm living in Augsburg Germany and working as a junior full-stack developer for Südblick. Always eager to expand knowledge and to share it with others.
